CAPABILITY ENHANCEMENT AND DEVELOPMENT SCHEMES

Personal Counselling:

Personal Counselling helps the students to improve the interpersonal relationship, level of confidence and decision-making capability in emotional situations, that helps them in maintaining physical and mental well-being.

We have mentor-ship program, through which students are counselled regularly at primary level. In – house faculty from the Department of Psychiatry counsel the students, when and where needed.

LANGUAGE AND COMMUNICATION.

KIMS & RC plays a vital role in overall development of the students during the stay in the campus. Students from outside State are given small sessions on basics of Tamil language, which helps them during history taking and clinical examination of the patient.

Similarly, students coming from Tamil Medium school are given English fluency coaching to improve their academic performance, especially in viva and practical examinations.
