KIMS & RC has taken several initiatives to make college atmosphere ragging free. Institute regularly conducts awareness sessions on anti-ragging. Freshers are also being queried about any incidence of ragging during Mentor-mentee visit and seniors are also being warned about the consequences of ragging.

Every first-year student will be allotted one Intern (CRRI) during the orientation program who will help them to ease their worries about the ragging.

Anti-ragging posters are placed at necessary places in the campus like College entrance, Hostels (Girls and Boys), Lecture Halls etc.

The Institute has organised awareness programmes about ragging where student are shown videos from the UGC websites. Additionally, Police Sub Inspector (PSI) Mr Subramanian from Padalam police station was called for the programme to address the students.
