Report: The Department of Pediatrics from Karpaga Vinayaga Institute of Medical Sciences and Research Centre had arranged for a sensitization program in a School in Vilvarayanallur on 12/3/2020. Dr. Parvathy Assistant professor, Department of Pediatrics from KIMS & RC detailed the students about Covid 19 Disease. Herself and Dr. Anita Simon demonstrated various preventive measures for COVID-19 like..

- Handwashing technique
- Staying away from people who sneeze and cough frequently
- Using a handkerchief or the elbow to cover the mouth and nose when they sneeze
- Avoid handshakes
- Wash hands frequently with soap and water
- Avoid crowded places
- To visit a doctor if symptoms of Covid 19 disease persists

All the students actively participated in the sensitization program.
