## **Reports of the events in Social Responsibility**

### **Flood Mitigation – Health Service**

Institution not only provides academic excellence to the students but also Community based education through various activities of social responsibilities like Swatch Bharat, Health and Hygiene and awareness, Socio-economic development issues. KIMS & RC helps in neighboring villages by providing health care facilities for the poor and needy population.

During the flood time in 2015 in Kanchipuram district, villages in and around of our institution were affected severely by heavy rains and floods. Institution had provided free food and shelter for the people who became homeless due to flood. All such families were provided shelter in our Auditorium and food was given from the mess. Free medicines were distributed. Free consultation and medication were also given to the families. Every year KIMS & RC during rainy season provides such kind of supports for which appreciation has been received from Maduranthagam Tahsildar.

### **Malaria and Dengue Awareness Program**

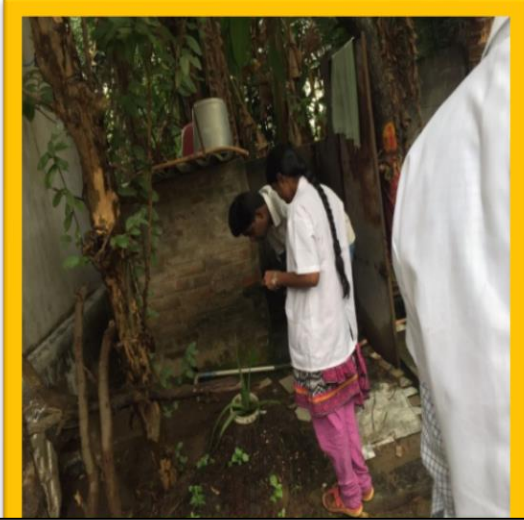

Before the onset of rainy season and during rainy season KIMS & RC conducts, awareness programs on vector borne diseases like Malaria, Dengue awareness programs with the help of Community Medicine department at our Rural Health Centers and in and around villages of our institution in co-ordination with Govt. PHC centers, Anganwadi centers and with NGOS. Health education related to cleanliness and maintenance of surroundings and personal hygiene are explained to the rural population.
