HOSPITAL EXCELLENCE

KIMS &RC have 550 bedded hospital with full-fledged facilities available around the clock which includes Emergency, trauma, Causality and specialty clinics. Every day we have an inflow of about 800-850 OPs per day. The average daily admissions vary between 80 to 90 patients We have upgraded our Radiological investigations with the recently launched hi-tech slice MRI, CT machines which are available at a reasonable cost or sometimes free of cost for the poor and needy people. Off late we also do the procedures of Mammogram and Doppler test also.

One of the notable features of Karpaga Vinayaga Hospital is the 11 modern modular operation theatres equipped with state-of-the-art facilities. Our Operation Theatres are modernized with global standards of instruments and equipments facilitating to conduct very rare cases like Carcinoma stomach, pseudo-cyst pancreas, colonic cancer and Head and Neck metastasis. On an average 24 major and 30 minor operations are performed in a day.

In addition to that one theatre is dedicated as Cath lab. We have a dedicated team of Cath lab run by a group of cardiologists, recently launched i.e., from September 2019 onwards.
