To,
Dr. Sofala Viswas Rao
Karpaga Vinayaga Medical College

Sub: Permission to conduct seminar on "USMLE" for students of your medical college

Respected Authority,

EduPristine is a leading global educational service provider for professionals and students- in the area of test preparation and professional education having office across India and teaching locations worldwide. Becker Healthcare is providing the resources that students need to score high marks on the USMLE exams and move ahead in their journey to residency training in the US.

We at Beckers-Edupristine, host various onsite information seminars aimed at the young and ambitious doctors who wish to sit for the United States Medical Licensing Examination as part of our ongoing "Student Relationship Program". With regards to the same I am writing to seek permission for the venue in your college premises to conduct USMLE Seminar for Medical Students.

Following are the details of the seminars.

Topic : Pathway to Medical Residency in the USA
Target audience : 2nd/3rd/Final/Intern/CRR1 Batches
Date : 28/03/2019
Timings : As per the convenience of the Institute
Duration : 45 minutes + 15 minutes of Q&A session
Infrastructure : An auditorium with sound system which will accommodate all the students

As per the conversation we had, it will be great if you could grant us the permission to hold a seminar in your college premises. As a first step towards our partnership we would be grateful if you could allow us to display informative posters in your college premises.

Thanking you in anticipation of a synergistic association

Regards,

Team Edupristine - Becker Healthcare

Sofala Viswas Rao
