Vision

To grow as an internationally recognized institute, attaining excellence in the expertise of patient care, medical education and research and development to serve humanity!

Mission

Develop medical education and collaborative initiatives to achieve excellence in medical care, supported by a rigorous academic and research environment. We should be able to attract the best minds in a rewarding and inspiring environment by fostering creativity, innovation and adopting the recent advances in medical technologies. The highest standard of the patient should be aimed to serve the sick and the suffering, irrespective of their economic, social or religious status.

Our Philosophy

To care with compassion and cure with competence.
