## Information on Organ Donation

Karpaga Vinayaga Institute of Medical Sciences and Research Center conducts organ donation awareness campaign regularly, both for students and for the nearby community. It is conducted to improve the knowledge on organ donation, do's and don'ts in organ donation and procedure to be followed in donating their organs. In our institution, we motivate and collect information on organ donors and refer them to the nearby Government institution, who are authorized to perform this procedure.

Currently our institute is not performing organ transplantation surgeries.
